

Call for Presentations
4th Annual Wyoming Native American
Education Conference
August 8 & 9 2013
Proposals due May 14, 2013

General information & submission guidelines

- Conference to be held August 8 & 9, 2013
- Location will be Central Wyoming College in Riverton, Wyoming
- Presentations will be approximately 1 hour 15 minutes
- Complete the entire form, including brief description
- Presentations should be culturally relevant
- Presentations related to Shoshone & Arapaho culture are encouraged
- Proposals from groups or individuals are acceptable
- Please note any supplies or equipment that you need for your presentation
- Honorariums and travel support provided on individual basis

All presentations should correspond to one or more goals of the conference:

- ☐ Learn about strategies to increase family involvement and promote effective participation from Native communities in education.
- ☐ Learn strategies on how best to meet the instructional and learning support needs of Wyoming Native American students
- ☐ Learn about strategies to counter bullying (including cyber-bullying) that have been used with success in school districts and communities
- ☐ Increase their awareness of the benefits of the partnerships between tribal and state governments, tribal communities, and schools and focus on educational issues.
- ☐ Gain knowledge about and exposure to effective ways to help students be successful during the key times of educational transition from Pre-K to K, Middle School to High School, and High School to Post Secondary education.

Please check the goal/goals that your presentation pertains to.
